

Steiger Facial Plastic Surgery Debuts New, State-of-the-Art Aesthetic Medical Center and 1001 Boca Spa in Boca Raton

Custom-Built Center to Offer Latest/Most Advanced Aesthetic Technology

BOCA RATON, Fla., March 20, 2012 — Double board-certified, Ivy League-trained Dr. Jacob D. Steiger, M.D., Facial Plastic Surgeon (www.drsteiger.com), is bringing the latest and most advanced aesthetic technology and surgical techniques to Boca Raton. Today, Dr. Steiger unveiled his newly constructed aesthetic medical center and 1001 Boca spa, conveniently located at 1001 N. Federal Highway, Boca Raton, Fla. 33432, just south of Glades Rd. Steiger Facial Plastic Surgery moved to this new location from its former office in Delray Beach, Fla.

The new 5000-square-foot modern building features luxurious treatment rooms and a state-of-the-art surgical center with an operating room and overnight suite. The center will provide patients with the most innovative treatments and procedures available in cosmetic surgery and aesthetic medicine.

"The center was designed and built from the ground up with attention to every last detail. We will be able to provide unparalleled service to our patients by combining the most advanced techniques with modern technology and unsurpassed facilities," said Dr. Steiger. "Building this type of facility has always been my dream and I am excited that the dream is now a reality that will serve our patients well."

Dr. Steiger is an expert in facial plastic surgery, including rhinoplasty, revision rhinoplasty, advanced facelifts, fat transfer, midface lifts, blepharoplasty (eyelid lifts), chin implants, lip augmentation, skin resurfacing, dermabrasion, chemical peels, laser peels and otoplasty. He is also an expert in non-surgical, minimally invasive procedures such as Botox®, Dysport®, and dermal fillers. Dr. Steiger combines his keen artistic sense with his thorough understanding of the aging process and advanced scientific knowledge in order to provide his patients with the best possible care.
