

## **Steiger Facial Plastic Surgery Opens New FL Surgery Center in Boca Raton**

Written by Rob Kurtz | March 21, 2012

Facial Plastic Surgeon Jacob D. Steiger, MD, has announced the opening of a new aesthetic medical center in Boca Raton, Fla., that features a surgery center, according to a [news release](#).

The surgical center, which features an operating room and overnight suite, is included in the 5,000-square-foot medical center.

Steiger Facial Plastic Surgery has moved from its former office in Delray Beach, Fla., to this new location.
